Travel Documents

It is the responsibility of the participants to obtain and carry a valid passport, visa(s), and any other documents required by applicable government regulations. Many countries require a passport to be valid three or six months after entering. Residents of some countries may require special travel documents. Check with your local embassy or consulate.

Travel Insurance

We strongly recommend that you buy comprehensive travel insurance (covering trip cancellation, trip interruption, baggage and accident/life) before traveling on a Music Contact International, Inc. tour. We also recommend that you review your existing personal insurance policies to ensure you have appropriate coverage to meet your needs, particularly for the risks mentioned below. Several travel insurance options are available through Music Contact International, Inc. as well as through your insurance agent and other sources.

Health

By sending a deposit toward your trip purchase and returning your Reservation Form (individually or as an individual of a group list), you certify that you do not have any physical condition or disability that would create a hazard for you or other travelers. Some of our trips require vaccinations. Please consult your physician for pre-departure health advice.

Travelers Needing Special Assistance

Music Contact International, Inc. will make reasonable efforts to accommodate the special needs of tour participants. Such participants, however, should be aware that the Americans with Disabilities Act is inapplicable outside of the United States and facilities outside the United States for disabled individuals are sharply limited. Music Contact International, Inc. cannot provide individual assistance to guests for walking, dining or other personal needs. Participants needing such assistance must be accompanied by an able companion who will assist them.

Baggage Disclaimer

Although every effort is made to handle tour participants' luggage as carefully as possible, Music Contact International, Inc. is not responsible for and does not assume liability or accept claims for loss of damage to luggage due to breakage, theft or wear and tear or through hotel and group carrier handling. It is recommended for your own self interest and protection that you have adequate insurance to cover these eventualities.
